3. It is a good idea to add some notes to the itinerary. I am going to note how many this is booked for and what date it was postponed.

4. We need to amend the number of people to 1, and slots to 1.

- 5. Select in the date field (this is to refresh the toolbars).
- 6. Then from the top toolbar select 'Move'.

- COVID 19: Due to the number of bookings which might have to be postponed, we are recommending that all bookings are moved to a date which is memorable. I will be using Christmas Day.
 - 7. Select the date your team have decided
